

Guardian Services
of Central PA

Our Mission:

Guardian Services of Central PA will serve as the court appointed guardian of incapacitated individuals of central Pennsylvania. The mission of this organization is to enhance the quality of life for people through the provision of good management of their resources and to continually protect the quality of their lives.

We provide services to senior citizens who are incapacitated due to disease, dementia or injury, lack the ability to manage their personal or financial affairs and have no family or friends who are willing or able to serve in such a capacity.
